Donor Appeal: Essential Office Equipment for Mission Operations

In the quiet rhythm of our cloistered life with daily work and unceasing prayer, much of our ministry's service depends on simple tools that help us communicate clearly, safeguard records, and accompany those who come to us for assistance.

We are seeking benefactors who may wish to assist us in acquiring **new computers**, a **reliable office printer**, and a **heavy-duty paper shredder**. These items are not luxuries; they are the unseen instruments that allow our mission to move forward with order, security, and care. Updated equipment will strengthen our ability to serve, protect sensitive documents, and maintain the efficiency required of our community's administrative life.

While our sole apostolate remains prayer and continual adoration before the Most Blessed Sacrament, interceding night and day for the needs of the world, certain essential administrative tools—particularly our computer, printer and heavy-duty paper shredder—now need replacement to preserve the steady order of our life." These administrative tools that have carried us through countless tasks now reveal the natural wear of their many years and require replacement to ensure that our administrative operations remain secure, efficient, and worthy of the trust placed in us.

We remain profoundly grateful for the generosity that has upheld our community over the years. Should you wish to assist with this particular need—whether through a designated gift, sponsorship, or counsel, we would welcome the opportunity to speak with you. Your support strengthens the very infrastructure that allows our ministry to carry out its service with integrity and care.

We would be grateful for your support. Please contact us at (314) 381-2654 to discuss your donation or make a financial contribution through our online donation page.
